The Cost of Seed is Only a Small Part of Your Total Cost to Produce a Crop

★ A few cents more per acre spent for good seeds often adds several dollars per acre to your crop income.

★ Try new varieties like Rusota Oats, Vanguard Oats, Nakota Hulless Oats, Regent Wheat, Newmarq Wheat, Sooner Milo, Walsh Flax, Hybrid Corn, Dwarf Yellow Sweet Clover or Parkland Brome Grass. Or try certified Sweet Clover, Crested Wheat Grass and Brome Grass.

We recommend and sell NEWDAY'S better seeds.
